Instructions:

1. Download and Print the activity on paper or card so it is ready to colour, cut and create.
2. Colour the tree pieces and decorations using your favourite Christmas colours. Add patterns, stars or dots to make the tree special.
3. Carefully cut around each tree piece, the trunk and decorations. Ask an adult for help if needed.
4. Arrange the tree pieces from largest at the bottom to smallest at the top, with the coloured sides facing forward.
5. Add glue to the areas marked GLUE and join the tree pieces together. Attach the trunk behind the bottom section.
6. Choose your favourite decorations, arrange them on the tree and glue them into place.
7. Choose a special decoration, such as the star, and glue it to the top of your Christmas tree.
8. Let the glue dry, then display your finished Christmas tree somewhere special.
