Instructions:

1. Start by downloading and printing the foldable Earth Day writing template.
2. Carefully cut out the foldable along the solid outer lines.
3. Fold along the dotted lines to create a flipbook or flap-style foldable. Make sure the creases are neat for easy opening.
4. Fold the egg shape in half along the crack, ensuring that the open section of the crack is in the middle of the fold.
5. Open the flap and respond to the prompts inside.
6. Use crayons, coloured pencils, or markers to decorate.
7. Display your completed foldable on the classroom wall, or share it at home with family to inspire others!
