Instructions:

1. Start by downloading and printing your "Headband/Crown" worksheet.
2. Use bright colours to decorate the crown or headband. You can include NAIDOC Week colours.
3. Carefully cut along the dotted lines around the headband/crown shape.
4. If the crown/headband doesn't fit all the way around your head, cut an extra strip of paper and attach it to one side using glue or tape.
5. Wrap the band around your head to check the size. Trim or adjust if needed.
6. Once you have the perfect size, glue or tape the two ends together to make a circle.
7. Put on your crown or headband and celebrate NAIDOC Week!
