Instructions:

1. Download and print the Teacher's Day Rosette Badge Template.
2. Use coloured pencils, markers, or crayons to decorate Template 1 and Template 2.
3. Carefully cut along the shapes from both the templates.
4. Make the pleated rosette by taking the long strip cut-out and folding it back and forth.
5. Join both ends of your pleated strip using glue to create a ring/rosette shape.
6. Glue the two ribbon pieces cut-out to the back of your rosette so they hang down.
7. Take the small circle cut-out and write your message. Glue it to the centre of your rosette.
8. Glue or tape a safety pin to the back of your badge.
9. Personalise your badge with stickers, glitter, gems, or small drawings.
