Instructions:

1. Begin by downloading and printing your Earth Day - Counting Worksheet.
2. In this worksheet, you will see different Earth Day icon (like recycling symbols, trees, Earth, water drops, light bulbs, bags, and more) spread out on the page.
3. Find one type of picture at a time. Carefully count how many of that picture you can see. They may be in different places, so look closely!
4. Point to each picture as you count to keep track.
5. When you finish counting, write the total number in the box next to that picture.
6. Move to the next picture and repeat the steps.
7. Check your answers to make sure you counted all the pictures correctly.
8. As you count, think about how each item helps take care of our Earth.
