## Instructions:

1. Start by downloading and printing your Teacher Appreciation Week - Folded Heart Card Worksheet.
2. Use crayons, markers, or coloured pencils to decorate both the card and the insert.
3. You can also get creative by adding rhinestones, glitter, jewels, or buttons for extra flair.
4. Once your design is complete, carefully cut out the heart template along the solid lines.
5. Gently score and fold the rounded flaps inward toward the centre, then glue them in place.
6. Allow the glue to dry completely before moving on.
7. Finally, insert your decorated message card neatly between the folded heart template.
8. Your beautiful, Teacher Appreciation card is now ready to gift!
