Instructions:

1. Download and print your World Environment Day - Colouring Tote Bag worksheet.
2. On the worksheet, you will see different environment-themed icons such as recycling symbols, Earth, flowers, leaves, hearts, and "reduce waste" images.
3. Gather your colouring supplies, like crayons, coloured pencils, or markers.
4. Carefully colour the tote bag and all the icons neatly and brightly. Try to stay inside the lines and use lots of bright colours.
5. Once your colouring is complete, carefully cut around the outline of the tote bag using scissors.
6. Show your finished tote bag in the classroom, on a display board, or hang it up to celebrate World Environment Day.
7. Once, the colouring is complete, cut-out the tote bag and display it in the classroom.
