Instructions:

1. Begin by downloading and printing your worksheet.
2. In this worksheet, you will see different icons (like earth, plastic bottle, recycling icon, ocean and others) spread out on the page.
3. Gather your colouring supplies, like crayons, coloured pencils, or markers to colour your reusable bottle.
4. Colour the Plastic Free July icons included on the worksheet. Use your favourite colours to bring them to life.
5. Carefully cut out the icons along the dotted lines.
6. Paste the icons onto your bottle design to create a fun and personalised Plastic Free July water bottle.
7. Share your finished design with your classmates, friends, or family and explain how reusable water bottles help reduce plastic waste.
