Instructions:

1. Download and Print the worksheet on paper or card so it is ready to colour, cut and create.
2. Colour the bin, lid, wheels, eyes, mouth, recycling symbol and Recycling Bin sign. Make the recycling bin as colourful and creative as you like.
3. Carefully cut around the outside lines of the bin and lid.
4. Choose the eyes and mouth from the two pairs and cut them out.
5. Choose a recycling symbols and cut it out and place the recycling symbol on the front of the bin.
6. Carefully cut out the wheels. The recycling bin needs two wheels, one for each side.
7. Colour and cut the Recycling Bin sign and place the sign on the front of the bin where you think it looks best.
8. Now, it's time to put your recycling bin together. Arrange the pieces first and then glue.
