Instructions:

1. Download the worksheet and print it out.
2. Decorate the pumpkin or bat using pencils, crayons or markers.
3. Carefully cut around the outside dashed lines of each character piece.
4. Cut out the circle in the centre of each character.
5. Align the rectangular tabs in the middle and fold along the indicated lines.
6. Place a small wrapped treat or lollipop through the centre opening. For a lollipop, push the stick through the back hole and out through the front hole of the template.
7. Secure both sides of the character around the treat using tape, glue or ribbon as needed.
