Instructions:

1. Download and Print the worksheet on paper or card so it is ready to colour, cut and create.
2. Colour the crown, Earth, recycling symbols, leaves and stars. Make the crown bright and colourful!
3. Decorate the two headband strips at the bottom. Children can use different colours or add their own patterns.
4. Carefully cut around the outside edge of the crown.
5. Cut around each of the two rectangular headband strips at the bottom of the page.
6. Glue or tape one strip to one side of the crown and the second strip to the other side of the crown.
7. Wrap the strips around the child's head and adjust them until the crown fits comfortably.
8. Glue or tape the overlapping ends together.
9. Optional for decoration, use rhinestones, pom-poms, jewels, or glitter.
10. Put on the finished crown and celebrate helping to reduce, reuse and recycle!
