Instructions:

1. Download the worksheet and print the gift box template.
2. Colour in the flowers, hearts and other decorations.
3. In the label, write who the gift is To and add your name after Love from.
4. Carefully cut around the solid outside lines of the template. Take your time around the curved sections.
5. Gently fold along each dotted line. Press each fold firmly so the box will be easier to put together.
6. Put a small amount of glue on the section marked "Glue Here". Join the pieces together and press gently to secure the box.
7. Add a small surprise inside. You could include a handwritten note, drawing, wrapped treat or another little gift.
8. Carefully fold the curved sides inwards to close the ends and keep the surprise safely inside.
9. Your Teacher's Day gift box is ready. Give your handmade creation to someone special and make their day!
